SORB®XT

safe | efficient | fast

PRODUCT RANGE

**EVERYTHING YOU NEED FOR THE
CONTAINMENT AND REMOVAL OF LEAKS**

OILSTAINS ARE BASIC. STAIN SOLUTION IS PRO.

AGAINST PERSISTENT STAINS

Our Stain Solution Pro ECO is a pH-neutral, biodegradable cleaner for old and stubborn stains caused by grease, oil, dirt, verdigris, fuels and many other substances. It is ideal for removing very heavy soiling and cleaning anything from stone and asphalt to plastic, metal, glass and other surfaces.

Furthermore, Stain Solution Pro ECO is NSF-registered and can therefore also be used in the catering and food sector!

NSF®

ASK THE EXPERTS

ALWAYS THE RIGHT SOLUTION WITH SORB®XT

Whether you are looking for consulting to prevent leakages or need support in dealing with minor or major disasters; our dedicated team is at your disposal. We will happily inform you about possible applications of the SORB®XT product range.

HIGHLY EFFICIENT BINDERS

AS A COMPLETE SOLUTION FOR LEAKAGE CONTROL

SORB^{®XT} is a 100% organic binder that is certified for use on water, roads and all other surfaces. It absorbs almost 8 times its own weight in just a few seconds. Due to the low weight of the binder, handling is pleasingly simple and the cost-effective disposal is a significant advantage in comparison to common binding agents.

SORB^{®XT} has been tested for its effectiveness and according to the Type I, II, III-R SF of the Federal Ministry for the Environment, Nature Conservation and Nuclear Safety.

PERFORMANCE

Properties	
Density	< 175 Gramm / Liter
Buyoncy	> 95 %
Ignition Temperature	265°C - 289°C
One 50 L bag SORB ^{®XT}	1 kg absorbs up to 4 L of oil
Absorptionspeed (sec.)	few seconds
Typ I, II, III-R	
SF (Special formats)	Pillow, Pipe etc.
Application (Environment, Handling)	harmless
Proved grip after application	95%

DIN 18300 - soil class 1-3

DIN 19682-12 fibrous, wood, light brown

FOLDABLE PROTECTION

LIGHT, SAFE AND QUICK TO USE

Ideal for short-term storage of hazardous substances, conventional technical, chemical and petroleum products, our Quick'n Easy containers offer a practical solution. The containers are quick to assemble and dismantle thanks to their easy handling. We also offer an ESD version, manufactured with a special **anti-static film** to ensure the necessary conductivity for use in potentially flammable or explosive environments. In addition to the standardised sizes, customer-specific special sizes can also be manufactured on request.
